**Feed Your Tummy AND Your Soul
At Our New & Improved
Wednesday Evening Lenten Series**

Each year our clergy offer a thoughtful, engaging series of discussions providing interesting food for thought during the season of Lent. These Wednesday evening series, which begin with a service of Holy Eucharist followed by a light supper, have traditionally appealed to adults. Those who attend always come away enriched. Many more parishioners want to come, mean to come, plan on coming and then life gets in the way.

Here is the "New & Improved part": This year we are adding a Children's program and childcare for children ages infant to three. We invite you to come with your whole family. Your children will discover Lent through songs, crafts and prayer. Elizabeth Clemmitt and Missy Harrison will explore the meaning of Lent with children from age 4 and beyond.

Do yourself and your family a favor. Take a break from your busy life. Give yourself a gift during Lent. Make this the year that you add our Wednesday Evening Lenten Series to your spiritual life. Look inside for more details. We have provided a handy-dandy colorful insert that you may prominently display on your refrigerator with all the pertinent information.

Reaching Out

This monthly column will highlight new and on-going outreach opportunities and activities at Christ Church. Go ahead. Just pick up the phone and jump right in.

New Opportunity #1: Our Treasures Room (a very cool Rummage department) will be open for business during the Winnetka Antique Sale which is March 7 (11 am-7 pm), March 8 (10 am - 6 pm) and March 9 (12 - 5 pm). If you would be willing to work a shift for us, please contact parishioner Susan Green at 847-441-7184 or email her at thegardenmail@gmail.com.

On-going Opportunity #1: Every Monday afternoon from 12:30 - 3 pm and Thursday mornings from 9 - 11:30 am in the West Building you will find a congenial group of kind souls sorting the many Rummage donations that come in on a daily basis. (Opening each bag is like Christmas morning...you never know what you are going to find. We guarantee laughs.) Please stop by and lend a hand every Monday or once a month. Any and all help is greatly appreciated. Questions? Call **Charlotte McGee, Rummage Coordinator**, at the office 847-446-2850.

March Furniture Pick Up Date

We will be making local furniture pick ups for Rummage on **March 17**. Please call the Rummage Office to get on the schedule. For a list of items that we are unable to accept (because they just don't sell) visit the church web site.

Small Change Can Make Big Changes:

The Heifer Gift Ark \$5000 Challenge at Christ Church

This Lenten season Christ Church will be collecting small change in the hopes of making big changes all around the world. Together, our challenge is to "Fill the Ark" with Heifer animals. Each \$5000 Heifer Gift Ark gives 30 hungry families a new beginning, and its "voyage" covers the globe.

Chickens can help families in Kentucky improve their nutrition and care for their land. Camels can help Tanzanian families earn income by transporting materials. Cows can bring milk and income to a Polish village. Pigs can enable families in Vietnam to earn enough income to send their children to school. Rabbits can nourish families in Guatemala. But this is only the beginning. Heifer families work together to pass on the gift of livestock and learning to others in need. And so your gift goes on, small change making big changes, all over the world.

Join us! Heifer ark banks will be available at Christ Church beginning **Sunday, February 3rd**. Take home a bank and help us "Fill the Ark" with Heifer animals—and launch a boatload of hope for hungry people and the earth.

Ark banks and contributions will be collected during the Offertory on **Sunday, April 13th**. Following the 9 am service, we will have a celebration in the McClain Room. Mark your calendars and look for more details to come.

If you would like more information about Heifer International, their mission, or the "Fill the Ark" challenge, you can visit their website at www.heifer.org. Or contact Lisa Kerpan at 847-251-0920 or lkerpan@kerpan.com.

Heifer Facts on Poverty and the Environment

More than 840 million people in the world are malnourished—799 million of them are from the developing world - more than 153 million under the age of 5.

Six million children under the age of 5 die every year as a result of hunger. Of the 6.2 billion people in today's world, 1.2 billion live on less than \$1 per day.

In the United States, 13 million children live in households where people have to skip meals or eat less to make ends meet.

Poverty is both a major cause and consequence of the environmental degradation and resource depletion that threaten the world. Major environmental challenges include deforestation, soil degradation, declining biodiversity, water scarcity and deteriorating water and air quality. Heifer provides important training to project partners to address all these issues and more.

Be sure to pick up your Ark Banks - one for EACH member of your family - on Sunday, February 3.
