Dear Mr Clemmitt

Thank you so much for bringing the Choir of Christ Church, Winnetka to sing the services for us from 10 to 16 August and for providing us with some magnificent music. I do hope that you all enjoyed taking part in the cathedral services. Music is absolutely central to the way the liturgy is performed, and your contribution was greatly appreciated. Please thank all members of the choir on my behalf.

We should be delighted to welcome you again so do contact the office if you would like to arrange another visit in the future.

With all good wishes and renewed thanks

Yours sincerely
