

Optional Christmas Basket Program Support Donation 2023

Thank you for helping to preserve ReVive's century old Christmas Basket Program! Like everyone else, ReVive has felt the pinch of the current economy. Unfortunately, we no longer have full-time volunteers or a Julian Intern to administer this program. As a result, the program is now professionally managed, with the concomitant costs of professional staffing.

Annually, this program costs approximately \$30,000 to administer, including staffing. In order to meet this cost and make this program self-sustaining, we are inviting each Christmas Basket Sponsor who chooses to contribute **\$15 per single member family and \$25 for families with multiple members.** Your donation will be directly applied to Christmas Basket Program costs.

Below please list your Family Code and the amount of your Program Support Donation. Thank you so much for ensuring that ReVive can continue to provide this crucial program!

Name			Phone
Address			Email
City	State	Zip	Parish, Company, or Organization (if applicable)

Family Code Number(s) of Christmas Basket(s) Donated # _____

Amount of Program Support Donation \$ _____
